Our purpose

Kingclere Cancer Research Fundraiser (KCRF) was formed in 2022 by four friends from the village of Kingsclere in Hampshire, England.

Following recent personal journeys with cancer, the founders' focus is the provision of funds for research into cancer. Our first charity ball in 2022 raised over £40,000 for Cancer Research UK (our charity partner); and the plan is to exceed this in 2024.

Mission, vision and values

Our Mission: to bring hope to those living with cancer through fundraising for scientific research into the disease

Our Vision: that through research a cure will be found for cancer.

Our Values: Community, Empathy, Hope.

We are a wholly non-profit group organised and supported by volunteers. We are a local community group with a national and international focus and network.

Who we help

Cancer Research UK (CRUK), the world's largest independent cancer charity, has been our designated charity partner since KCRF's inception. It is as a result of treatments developed by CRUK that two of the founding members of KCRF are here today.

“

KCRF is one of our major fundraisers and has now been chosen as our Rising Star of The Year. Its passion, dedication and determination provides CRUK with more resources to help us reach our goal of finding a cure for cancer.

Our event

We are excited to welcome guests to the KCRF Ball 2024 in a new, beautiful location: Oakley Hall Hotel, Hampshire.

A local event with global reach

Over 200 people attended our sold-out 2022 event, with many more participating across the world through the live online Silent Auction.

With a capacity of over 300, our new venue offers potential for fundraising and brand recognition on an even bigger scale.

Why donate a prize?

You and/or your business will receive significant publicity on our website, in the media and on the night of the event itself. The support you provide will be seen by a wide audience of families, supporters and businesses across Hampshire, the Thames Valley, the UK and internationally. Our Silent Auction is a truly global event, with bidders and other donors from all over the world.

We anticipate significant interest again for our 2024 event and have commitments already from major international businesses and local partners.

In 2022, over 80 sponsors and donors included:
